

OCTOBER 2016 NEWSLETTER

The Colorado Springs Orchid Society will have its October 2016 meeting on Saturday the 22nd at Fire Station #14, 1875 Dublin Blvd. The fire station is at the intersection of Academy and Dublin behind Yorkshire Veterinary Clinic. From Academy Blvd, turn east onto Dublin, then take the first right. The meeting starts at 10:00 AM with social time and set-up between 9:30 AM and 10:00 AM. See our website for directions and a map.

The club provides plants each month for the raffle and members are encouraged to donate divisions of their plants for the raffle table. Raffle tickets are \$1 each. Bring your blooming orchids for Show & Tell and receive a free raffle ticket.

This month refreshments will be provided by those whose last name begin with the letters A to F.

President's Message

It's time to start organizing our calendar for the next year. If you have any suggestions for activities that you would like to see for the society, please let the group know. These suggestions will be seriously considered and their feasibility for our meetings and financial position determined. Presentations by persons from out of town certainly merit compensation for their time and travel. At present, our financial balance is growing so it is a good time to think of ways to spend some of it in a way that benefits the members of our Society.

Our website is currently being updated by a professional. As it is and has been paid for in conjunction with my wife's business, it really needs to be separated out and covered by the society. Should anyone feel they have the expertise and would like to take over that job, please come forward.

We presently are having our meetings in a facility that charges us nothing. Our main expense now is for our raffle plants. It could be possible to bring in larger and more expensive plants for our members.

We should run this organization as a sort of a democracy so I will at least try to give the appearance of not doing everything my way.

Good Luck and Good Growing,

Roger Stone
President
Colorado Springs Orchid Society
